8th September 2026

Dear Parents/Carers

From tomorrow (Wednesday 9th September) all Y1/2 pupils will enter through the same corridor door on the playground. The teachers will be waiting in the classrooms to welcome the children. Hopefully, this will provide a drier and calmer start to the school day. Teaching Assistants will be in the corridor to help children with coats, bags and ensuring they make their way to their classroom.

If you have any concerns or questions for teachers please message through Class Dojo (not attendance related). The teachers will be free to speak to you at the end of the day when they dismiss the children.

Either Mrs Lal or myself will be on duty on the playground each morning if you have anything you need to discuss or any messages to pass on.

Yours sincerely

Miss S Corkindale
Headteacher
